

Carmel Native Tom Faia Announces The Release Of His Fourth CD

Carmel, CA - On Saturday, September 13th, Tom Faia will celebrate the release of his fourth album, titled “Born To Love You.” Recorded and produced by Vince Sanchez at VSO Productions, this album showcases a mellower, softer side of Faia. “These songs are all about love. The music just came together and is inspired by the people closest to me” says Tom.

Stylistically, this album is an eclectic mix of classic rock ‘n roll. Sanchez couldn’t be prouder of Tom’s latest release, noting “the songs on this album are a different musical journey than the last three efforts. They explore the many facets of love; from romantic love to brotherly love, to even the love of a cat. This album has innocence from another time.” The title track, “Born To Love You” is Tom’s personal favorite, and all listeners enjoy “I’ve Got The Answer” – a clever, love-struck anthem with a sound reminiscent of The Eagles.

Released a year after his third album “Keep My Eyes Wide Open,” Tom has enjoyed his growing regional success, playing more frequently and selling out larger venues. From the county fair to CSUMB; to KPIG and the West End Celebration coming up next week, Tom has no shortage of adoring fans or enthusiastic audiences. “I feel so fortunate to be achieving my dream. I never thought I’d have this much success so quickly, but I’m happy” says Faia.

If you’re ready to smile and dance, be sure to attend Tom’s CD Release Party on September 13th, from 7:00- 10:00 PM. The party will be held Turn 12 Bar and Grill, located at 400 Tyler Street Monterey, 93940. Tom and his band, The Juice, will be performing songs off the new album and there will be plenty of dancing. Admission is free, and all attendees will receive a free CD!
